

# Rush Neurosciences at Oak Park

Excellence just minutes from your patient's doorstep

Rush's integrated health care system spans across the Chicago region and we are pleased to provide the Oak Park community the same nationally-ranked neurological care and services offered at our main campus location. No matter where our patients live, our goal is to ensure that they have easy and convenient access to expert, compassionate care when and where they need it most.

To refer a patient for one of the subspecialties practicing at Rush Oak Park Hospital, contact the number listed below.

**General Neurology**  
(312) 942-4500
